To Whom It May Concern:

I am pleased to write this letter of reference for Isia Bialaszczyk. I have known Isia as her Academic Program Director since June 2010. Isia worked for ILSC as an ESL teacher during the summer season from June until September 2010.

Isia's responsibilities included lesson planning, evaluating students' progress, and developing materials consistent with the school's curriculum for classes in our Communication and Skills programs.

While I did not have the opportunity to observe Isia's teaching, the student feedback received over her time at ILSC was very positive. Evaluations by her students suggest that she designs effective and engaging lessons with clear aims and that she encourages her students to participate by creating a fun and productive classroom environment. Students often mentioned that they felt a sense of accomplishment upon completing Isia's courses. She was also punctual and well organized in her lesson delivery and fulfillment of administrative duties. My own personal interaction with her has led me to believe that she is a dynamic and enthusiastic instructor who cares about her students' learning.

I am confident that Isia will be a dedicated teacher who will make a strong contribution not only to the classroom but to the teaching team of any language school.

Should you require further information, please feel free to contact me.

Sincerely,

Emily Rush
